

McKinney High School Band Booster Club
1400 Wilson Creek Pkwy, McKinney, TX 75069
mhsrpb.president@gmail.com

Dear Community Member,

We are writing to request your support for the McKinney High School Band, an award winning ensemble representing our school and community at competitions and events across the state and beyond. As a corporate sponsor, your generosity would help provide our students with the resources they need to continue to excel and make our community proud.

The McKinney High School Band is made up of over 200 talented students, all of whom are dedicated to their craft and to representing their school with excellence. As you can imagine, the expenses associated with operating a band of this size and caliber are significant, and we rely on the support of generous sponsors like you to make it all possible. Your sponsorship would help us provide our students with high-quality instruments, uniforms, master-level music education, and equipment, as well as cover travel expenses and other competition-related costs.

Additionally, our band offers financial aid to those in our school who cannot cover the fees necessary to be a part of this prestigious program. We believe all children should have access to quality music education, and we ensure that everyone within our community has that access regardless of family means and income. As a sponsor of the McKinney High School Band, you would receive prominent recognition and exposure for your support, including acknowledgment on our website, social media pages, and at events throughout the year. You would also have the opportunity to attend performances and meet our talented students and dedicated staff.

We have included a sponsorship form with this letter outlining different sponsorship levels and recognition. I am sure there is a level that would meet your organization's budget and allow you to invest in this beautiful part of our community.

We hope you will consider joining us as a corporate sponsor of the McKinney High School Band. Your support would make a tremendous difference for our students and our community. Please let us know if you have any questions or would like to discuss sponsorship opportunities further.

Thank you for your consideration.

Sincerely,

Brandon Fisher, M. Ed.
